

USA - all Inclusive package

focussed on ICT companies and Startups we offer an additional USA - all inclusive package :

- 🕒 Register your US Subsidiary or company as a corporation (Inc, Corp, Ltd, LLC)
- 🕒 Apply for a tax ID (EIN) number with the IRS
- 🕒 Open a bank account in the name of your US corporation
- 🕒 Set up a cell phone and internet service in the name of your corporation
- 🕒 Set up a QuickBooks Small Business Accounting System
- 🕒 Operate your US business until you are ready to take over
- 🕒 If needed, assist you in getting a US visa
- 🕒 Report on a bi-weekly or monthly basis
- 🕒 Supply you with a valid US corporate address
- 🕒 find cooperations / partners to develop the business
- 🕒 Bring them in contact with ICT-oriented Venture Capital

All this covered with a fixed fee (plus possibly expenses after receipt) depending on the options selected and limited for a defined period (calculable for you!).
